Contracts with Our Customers and Partners, page 120

1. We note your response to comment 1 and reissue in part. Please disclose, as you state in your response, that you are unable to estimate the average length of time to obtain regulatory approvals, as well as the reason for such inability, and the statement that you are unaware of any operator obtaining the required approvals for commercial operations of passenger-grade AAVs in China or the US. Please similarly revise page 1 to provide context to the statement that you have "delivered a unit of [y]our dual-seat EHang 216 to a customer [and] believe this was the world's first delivery of a passenger-grade AAV."

In response to the Staff's comment, the Company has revised the disclosure on pages 1, 4, 17, 109, 119, 123 and 124 of the Registration Statement.

Principal and Selling Shareholders, page 155

In response to the Staff's comment, the Company has revised the disclosure on page 163 of the Registration Statement.
