About EHang

EHang (Nasdaq: EH) is the world's leading urban air mobility ("UAM") technology platform company. Our mission is to enable safe, autonomous, and eco-friendly air mobility accessible to everyone. EHang provides customers in various industries with unmanned aerial vehicle ("UAV") systems and solutions: air mobility (including human transportation and logistics), smart city management, and aerial media solutions. EHang's EH216-S has obtained the world's first type certificate ("TC"), production certificate ("PC") and standard airworthiness certificate ("AC") for pilotless human-carrying electric vertical takeoff and landing ("eVTOL") aircraft by the Civil Aviation Administration of China ("CAAC"). In 2025, EH216-S eVTOL operators have been granted the first batch of Air Operator Certificates ("OC") for civil human-carrying pilotless aerial vehicles by the CAAC. As a pioneer in UAV technologies and commercial solutions in the global UAM industry, EHang is committed to make autonomous flight a part of everyday life - delivering the transformative benefits of urban air mobility to smart cities and communities around the world. Safe Harbor Statement

This press release contains statements that may constitute "forward-looking" statements pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to" and similar statements. Statements that are not historical facts, including statements about management's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to those relating to certifications, our expectations regarding demand for, and market acceptance of, our products and solutions and the commercialization of UAM services, our relationships with strategic partners, and current litigation and potential litigation involving us. Management has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While they believe these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond management's control. These statements involve risks and uncertainties that may cause EHang's actual results, performance or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements.
