

## EHang Added to FTSE Russell Global Equity Index Series

September 8, 2021

GUANGZHOU, China, Sept. 08, 2021 (GLOBE NEWSWIRE) -- EHang Holdings Limited (Nasdaq: EH) ("EHang" or the "Company"), the world's leading autonomous aerial vehicle ("AAV") technology platform company, today announces that the Company's stock will be added as a constituent of the FTSE Russell Global Equity Index Series ("FTSE GEIS"), following FTSE's most recent semi-annual review. The inclusions in the three indexes listed below will become effective after the close of business on Friday, September 17, 2021.

- FTSE Global Small Cap Index
- FTSE Global All-Cap Index (LMS)
- FTSE Global Total-Cap Index (LMSμ)

FTSE Russell is a global index leader that provides innovative benchmarking, analytics and data solutions for investors worldwide. FTSE Russell calculates thousands of indexes that measure and benchmark markets and asset classes in over 70 countries, covering 98% of the global investable market. FTSE Russell index expertise and products are used extensively by worldwide institutional and retail investors globally. Approximately \$17.9 trillion is currently benchmarked to FTSE Russell indexes. For over 30 years, leading asset owners, asset managers, ETF providers and investment banks have chosen FTSE Russell indexes to benchmark their investment performance and create ETFs, structured products and index-based derivatives.

The FTSE GEIS provides a robust global equity index framework. The series includes over 16,000 large, mid, small, and micro-cap securities across 49 developed and emerging markets across the globe, with a wide range of modular indexes targeting specific markets and market segments.
